PC Section 5058.3 authorizes the Director to adopt, amend, or repeal emergency regulations conducted pursuant to Government Code Section 11340.

action will incorporate into the Director's Rules amended provisions governing inmate worktime credit earning.

Assembly Bill (AB) 3000, 2001-2002 Session, added PC Section 2933.3 to allow inmates eligible to earn one day of worktime credit for every one day of service who are assigned to a conservation camp assignment by the CDC, to instead earn two days of worktime credit for every one day of service. This enhanced worktime credit applies to service performed after January 1, 2003.

These regulations will bring the Department into compliance with the provisions of AB 3000.

The amended regulations will:

- Establish Work Group F and the two-for-one credit earning for inmates assigned to a conservation camp work assignment.
- Specify a process to determine an effective date in which inmates assigned to Work Group F shall revert to Work Group A-1, in the event an on-the-job injury excludes the inmate from conservation camp assignment.
- Clarify the definition of a non-adverse transfer.
- Specify that an inmate assigned to Work Group F and transferred for non-adverse reasons, shall revert to Work Group A-1 effective the date removed from camp assignment.
- Clarify the definition of an adverse transfer.
- Protect the credit earning status of an inmate who is removed from a program for adverse reasons and is subsequently exonerated of the charges.
- Clarify and explain the work group status of inmates who are approved and transferred for a Community Correctional Center program.
